Research Proposal Guidance

The proposal must not exceed 8 pages including tables, figures and references.
Applicants are required to structure their proposal according to the following headings:
- Title
- Background
- State of the Art
- Aim and Objectives (and the extent to which they go beyond the state of the art)
- Proposed Methodology
- Work Plan (brief outline, including deliverables, milestones, timeline, and estimation of the associated budget)
- Impact
- Risks
- References
